We Reuse, Repair, and Recycle ALL grades of Used Electronics

Asset Recovery and Recycling Certificate

This statement certifies that the electronics equipment sent by your organization for asset recovery and recycling has been received and unloaded at ElectroniCycle Inc. at 461 W. Broadway, Gardner, MA.

ElectroniCycle Inc. has taken ownership and responsibility for this material. Any reused assets will be handled in accordance with all software piracy laws, and all personal, non-transferable, or proprietary information will be erased. All unrecoverable assets will be managed and recycled according to specifications set out by the Massachusetts Department of Environmental Protection (contract Reference No: DEP-CRT2000A, available at www.comm-pass.com) and in compliance with all local, state and federal laws and regulations.

Optional additional restrictions: For an additional fee, ElectroniCycle Inc. has taken the following steps to ensure handling according to your organization's request:

Zero reuse (all material demanufactured, no parts or items recoverable)

Hard drive destruction using magnetic drill press

Other (specify) _____

Signature: _____ Date: _____

Name and title: _____
